

5th International Conference on Intelligent Communication Technologies and Virtual Mobile Networks (ICICV 2024)

11-12, March 2024 | Tirunelveli, India

ABOUT THE CONFERENCE

5th International Conference on Intelligent Communication Technologies and Virtual Mobile Networks (ICICV 2024) aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences, the state of the art and practice of cloud computing, identify emerging research topics, communication technologies and define the future of intelligent communication approaches, cloud computing and research results about all aspects of Engineering Technology and Innovation. All topics regarding cloud computing align with the theme of Virtual Mobile Cloud and Communication Technologies.

ABOUT THE COLLEGE

The Francis Xavier Engineering College popularly known as FX Engineering College, was established in the year 2000 with the vision to empower budding engineers in technical and entrepreneurial training and to contribute to the socio-economic augmentation of the nation. The college is located the heart of the city of Tirunelveli heralded worldwide as the Oxford of South India, and is well connected by Road, Rail and Air. Our Vision is "To provide education in Engineering with excellence and ethics and to reach the unreachable".

CALL FOR PAPERS

Intelligent Communications Technologies

- Advanced 5G/6G Network Architectures
- Intelligent Communication Environments
- Internet of Things [IoT]
- Communication Security, Standards, and Applications
- Artificial Intelligence and Human Computer Interaction Models
- Millimetre and Terahertz Communications
- Big Data Mining and Data-Driven Communication Models
- Collaborative Communication Models
- Security, Privacy and Trust

Computing Technologies

- Social Interaction and Mobile Communications
- Internet Virtualization and Cloud
- Machine Learning and Wireless Communication Research
- Wearable Computing and Communication Models
- Virtual Reality and Extended Reality Models
- Ubiquitous Computing and Communication Techniques
- Cooperative and Cognitive Virtual Networks
- Network Traffic Analysis and Modelling
- Next-Generation Adaptable and Automated Virtual Network

COMMITTEE

Chief Patrons

Dr. S. Cletus Babu
Founder & Chairman
SCAD Group of Institutions,
Tirunelveli, India

Dr. X. Amali Cletus
Vice Chairperson
SCAD Group of Institutions,
Tirunelveli, India

Er. C. Arun Babu
Managing Director
SCAD Group of Institutions,
Tirunelveli, India

Patrons

Dr. K. Jeyakumar
Professor & General Manager
(Development) SCAD Group of
Institutions, Tirunelveli, India

Dr. V. Velmurugan
Principal, Francis Xavier
Engineering College, Tirunelveli

Conference Chair

Dr. G. Rajakumar
Professor & HOD, Department of
Electronics and Communication
Engineering, Francis Xavier
Engineering College, Tirunelveli.

Keynote Speakers

Dr. Francisco Gonzalez-Longatt,
Professor II, Faculty of Technology,
Natural Sciences and Maritime
Sciences, Department of Electrical
engineering, Information
Technology and Cybernetics
University of Southeast Norway ,
Norway.

Dr. Chandra
Professor, San Jose State
University, USA.

Dr. Grigorios N. Beligiannis
University of Patras, Greece.

Submission Method

Submit your paper via,
email: icicv.conf@gmail.com

Paper Template

[click here](#) to download the MsWord Template
[click here](#) to download the LaTeX Template

Publication

The proceedings of the conference will be submitted to Xplore and CSDL for possible publication.

Venue & Contact

Francis Xavier Engineering College
103/G2, Bypass Road, Vannarpetai,
Tirunelveli – 627003, Tamil Nadu, India.

Dr. E. Manohar,
Department of Computer Science and
Engineering, Francis Xavier Engineering
College, Tirunelveli, India.
